Skins

The wRO Client comes pre-loaded with 20+ custom skins as well as support to add your own!

How to Apply a Skin

- Press esc to bring up the Main Menu
- Press Game Settings
- Change your skin in the Skin dropdown.

You may need to restart your client for the skin to fully take effect.

How to Install a Skin

- Place a folder with all your skin assets in your Skins folder in the client.
- Name the folder the name of your skin.

atCommands

wRO has some atCommands available to all players to provide some QoL. You use them by typing @Command in the chat. EX: @autoloot

Available Commands

- commands
- charcommands
- help
- rates
- uptime
- showdelay

Day/Night System

wRO has an automatic Day/ Night system that follows real world time in EST.

The system used can be found here: <https://ko-fi.com/s/36ad3ef0cf>

Thanks to imat1 for making this available.

Housing System

A custom housing system provided by imat1 is implemented.

More details can be found on his Ko-Fi page. <https://ko-fi.com/s/856a45a011>

Custom NPC Sellers

Gunslinger Weapons and Ammo can be purchase in the Einbroch weapon shop at ein_in01 97, 26

We have a new Magic Gem and Reagent Seller in Geffen tool shop at geffen_in 63, 173

And finally a Kunai and ninja weapon seller in the Amatsu ninja hideout at que_ng 64, 24

Last but not least an arrow merchant in the Payon weapon shop
